Dear Gottlieb:

I received a letter in the first mail this morning, telling me to send Pearson Dandridge, and Mc Duffie to the east west game. Evidently they did not wait for your phone call. I guess Cum just picked the team he thinks will win. I hope he is right.

Will you please send me a statement if The Cubans and Yankees are due any more money credits for umpires. I would like to figure out the clubs dues before the East West game.

Next if you talk to either of the Poseys ask them if any thing has been decided about our game August 27th. The Eagles and Grays are scheduled to play in Pittsburg, and they said they were having some trouble about the park. If it is going to be moved someplace else, I would like to know it so I can try and arrange some dates before and after. See and Sonny both promised to let me hear from them by Tuesday of this past week, and to date I have not heard from them. If you can help me out I will appreciate it.

I bought round trip passage on The Trail Blazer for four. If you know any one who wants one let me know. I will send out treas. statements tomorrow. It is in bad shape balance \$680.07.

Enclosing McCarys check.

Very Truly Yours
